Nick Vujicic Class-Learning Together Morning

Dear Parents/Carers,

I am pleased to invite you to our Learning Together Morning in Nick Vujicic Class. This will be an opportunity for you to come and take part in some learning with your child/ren. It will take place on **Tuesday 21st May 2024** from 9:00am-10:00am.

We will be embarking on an architecture project together as part of our Design & Technology topic this summer term. You and your child will be constructing a bridge between tables using a set of materials. We will be focusing on structure and strength, putting our bridges to the test by seeing how much weight they can hold.

Let's see who can build the strongest bridge!

I look forward to seeing you then.

Kind regards,

Ms Perkins
