### 'Step Up' Day (Transition Day)

Dear Parents/Carers,

Please find below the details for the 'Step Up' morning and classes for the upcoming academic year 2024-2025 at Antingham & Southrepps Primary School and Nursery. The 'Step Up' morning will be held for **current Nursery to Year 5 children** on **Tuesday 9th July 2024, from 9:00 am to 12:00 pm**. This event aims to allow children to meet their new class teacher and ask any questions they may have. The new class teachers have planned activities for the children to facilitate getting to know each other better.

In the afternoon, the new class teachers will participate in a handover meeting with the previous teachers to ensure the transfer of any pertinent information about each child. They will also meet with the SENDCo to discuss individual SEND needs and the most effective methods of support going forward, as well as review and plan accordingly.

The table below also includes the names of the teachers who will be responsible for their class and the classroom they will be based in throughout the year.

I am delighted to inform you of the staffing for next year:
