**Breakfast Club Update 2024-2025**

Dear Parents/Carers,

I am writing to inform you of some updates regarding our Breakfast Club provision here at Antingham & Southrepps Primary School and Nursery. This has been a very successful provision, providing essential wrap-around care for parents and carers and it has proven to be very popular with our children.

Firstly, we would like to extend our thanks to Premier Education. Their support and coverage during our recruitment process for a new Breakfast Club leader have been invaluable. However, from September 2024, Premier Education will no longer be leading our Breakfast Club. We appreciate their contributions and the stability they provided during this transitional period.

We are delighted to announce that we have successfully recruited a new Breakfast Club Supervisor. Mrs Harris, who many of you may know as our School Cook, will be stepping into the role of Breakfast Club Leader. Mrs Harris is a familiar and friendly face to both staff and children and I am confident that her transition into this role will be seamless. Her dedication to our school community and her rapport with the children make her an excellent fit for this position.

In addition to this staffing change, we want to inform you of an adjustment in the timing of the Breakfast Club. Starting from the new academic year, the Breakfast Club will operate from **7:30am to 8:30am**. This change is intended to better accommodate the needs of our parents and carers while ensuring that children have a smooth transition from morning care to their regular school activities.

Lastly, going forward into 2024-2025, the Breakfast Club provision will remain **free** to support with the cost of living.

The Breakfast Club will continue to offer a variety of nutritious breakfast options, ensuring that children start their day with a healthy meal in a safe and welcoming environment. Activities will also be provided to engage the children and prepare them for the school day ahead.

Thank you once again for your continued support.

Kind regards,

Mr Elcock
